

## INVITATION

to take part in OberMUN 2019

15-16-17 March 2019

Trieste, Italy

To the kind attention of the school's Headmaster/Headmistress

Dear Sir or Madam,

We are contacting you as the Head Organizers of the MUN in Trieste (OberMUN2019 ) held by our State High School "Guglielmo Oberdan", which will take place in March 2019. Our school is located in Trieste, which is the main city and seaport of the Region Friuli Venezia-Giulia, which shares borders with Slovenia and Austria. Trieste, one of the most vibrant and diverse Italian cities, is a crossroads of trade and cultural interactions, rich in history, art, and traditions.

A MUN is a simulation of the United Nations work sessions, which requires a group of delegates, representing different countries, to discuss international issues. The aims of this activity are to provide a deeper understanding of multilateral diplomacy, to strengthen debate and argumentation skills, to improve English language fluency, as all debates will be held in English, and in addition to this, to create international links among students and let them appreciate the value of a multicultural environment as a fundamental condition to foster progress and innovation.

Therefore, we would be honored if your School accepted this invitation to take part in our project by sending a delegation of students. Each delegation can include up to ten delegates accompanied by one teacher. There will be an opening ceremony on Friday morning, a gala dinner on Saturday evening and a closing ceremony on Sunday afternoon.

Further details will be sent if you're interested in the project, so please confirm as soon as possible.
